CMBA Honor Society

The CMBA Honors Society is a student lead program that allows dancers to show their involvement in dance. Some of the opportunities include learning how to spend and keep track of money, organize fundraisers and parties, and writing the monthly newsletter!

The requirements to being inducted are achieved by maintaining a 3.0+ GPA, gaining professional and dance points through volunteering at the studio, and taking dance classes. Personally, this club has helped me gain opportunities that are not only related to dancing, but also gives back to the dance community.
